## CELTIC IN BAD COLLISION WITH THE LINER MADONNA; HUNDREDS ABOARD BOTH

Passengers on Ocean Steamers  
Bound for New York Are  
Thrown in Confusion.

CRASH IN NAPLES BAY.

Fabre Liner Forced to Cancel  
Her Trip—White Star Ship  
Also Seriously Damaged.

NAPLES, Italy, Feb. 18.—The  
White Star liner Celtic collided with  
the Fabre liner Madonna here to-day  
and both vessels were seriously dam-  
aged.

The Madonna's anchor chain was  
broken and she suffered considerable  
injury to the top of her stem and  
stern. She was unable to leave for  
New York, for which port she was to  
have departed to-day with a large  
number of emigrants. She has been  
doomed for repairs.

The Celtic was seriously damaged  
on the counter, but is believed to have  
been only slightly injured below  
water. She also was bound for New  
York.

The passengers on both steamers  
were thrown into confusion by the  
collision.

It was said at the White Star of-  
fices here that because of the slack-  
ness of westbound travel at this season  
the Celtic probably had few first  
class passengers aboard. No passen-  
ger list was available here.

The Madonna is a comparatively  
small ship and carried mostly immi-  
grants. The agents here said she  
had 1,400 aboard on this trip, a vast  
majority of which were third class.

## "OXFORD GRADUATE" AIDS IN CRUSADE ON COCAINE

Claims to Be Member of Important  
English Family—Man He  
Accuses Is Held.

The so-called "Oxford graduate"  
who has been aiding the police and  
the District Attorney in running down  
dealers in cocaine, appeared in pub-  
lic for the first time this afternoon.  
He was a witness in Yorkville Police  
Court against Lawrence Saggars, who  
was arraigned on a charge of selling  
cocaine.

The "Oxford graduate" gave the name  
of Albert Bosworth, but said his real  
name is Albert J. Kynoch, and that he  
is a member of the great English fam-  
ily of Kynochs, manufacturers of fire-  
arms. His knowledge of the English  
language and his claim to scholar-  
ship is open to serious doubt.

But he is a reformed cocaine fiend  
and he has given Detective Klossett  
of Inspector Gillen's staff valuable  
information since Klossett picked  
him up, a homeless wanderer on the  
streets, three months ago. On the  
testimony of Bosworth and Klossett  
Saggars was held this afternoon in  
\$1,000 bail for trial.

## YALE SOPHOMORE ACCUSED OF ROBBING STUDENTS

NEW HAVEN, Feb. 18.—Albert K.  
Rumsey, nineteen, of St. Louis, Mo.,  
a member of the sophomore class at  
Yale, was arrested to-day charged  
with the stealing of cameras from  
students rooming in the dormitories in  
which he lived. He is alleged to have  
traded the stolen property at a  
local store for a camera he desired  
and a money consideration.

Rumsey is held under bonds for a  
hearing to-morrow in the City Court.  
The police say he has admitted the  
charge.

## COURT THROGS HEAR FINAL PLEAS IN THE GORE CASE

Out-of-Town People Flock to  
Oklahoma City for Closing  
Scenes in Mrs. Bond's Suit.

ALL EAGER FOR VERDICT

Lawyers End Arguments This  
Afternoon; Then Case  
Goes to Jury.

OKLAHOMA CITY, Okla., Feb. 18.—  
Termination of arguments and plac-  
ing of the case in the hands of the  
jury was expected here to-day in the  
trial of the damage suit of Mrs. Min-  
nie E. Bond against Thomas P. Gore,  
United States Senator from Okla-  
homa. The plaintiff asks \$50,000 from  
the Senator as the result of an al-  
leged attack made on her in a Wash-  
ington hotel.

Six of the twelve hours allotted by  
Judge Clark for argument remained  
when court convened to-day. In an-  
ticipation that the case would go to  
the jury before the day ended, the  
largest crowd that has yet gathered at  
a session of the trial was in the  
District Court room. Overnight trains  
brought a number of people from other  
points in Oklahoma to hear the  
arguments.

The charge that J. F. McMurray, an  
Oklahoma lawyer now living in  
Washington, planned the alleged con-  
spiracy against Senator Gore was  
made during the summing up to-day.

Robert L. Rogers, an attorney for  
the defense, in addressing the jury  
said that several years ago McMurray  
sought to prosecute claims for nearly  
\$2,000,000 from Indians of Okla-  
homa in connection with the transfer  
of their lands. He asserted that Sen-  
ator Gore opposed McMurray's claims  
and in retaliation the conspiracy had  
been planned.

"Oklahoma has a home for such  
conspirators," he shouted. "It is over  
at McAlester." The State Peniten-  
tiary is located at McAlester.

Lawyer Rogers insisted that the  
Senator in going to meet Mrs. Bond  
at her hotel was making no clandestine  
visit, that he had made it known  
before he left his office that he was  
going to the hotel to talk with Mrs.  
Bond.

Rogers contended that evidence in  
the trial showed that Mrs. Bond was  
a party to the alleged conspiracy  
against the Senator and that she  
knew the motive behind it all was  
political opposition to the Senator.

"This woman," he said, "complains  
that on account of the publicity given  
the affair in the hotel she has been  
damaged \$50,000. Who gave the af-  
fair publicity? She did and the three  
men with her in the conspiracy."

After Mr. Rogers had finished his  
address three attorneys remained to  
speak before the case was ready for  
the jury. It was expected the jury  
would get the case about 5 o'clock  
this afternoon.

## ENGLISH LORD VICTIM OF WHIPLASHING BY MILITANT IN PUBLIC.

LORD WEARDALE.

## MILITANT LASHES LORD WEARDALE IN WEDDING THROG

Aged English Peer Struck With  
Dog Whip and Knocked to  
Ground as 200 Look On.

LONDON, Feb. 18.—A militant suf-  
frage, armed with a whip, savagely  
attacked Baron Weardale while he  
was waiting to-day with 200 other  
guests for a train to Althorp Park,  
Northampton, to attend the wedding  
of the Hon. Sidney Peel, son of Vis-  
count Peel, and Lady Della Spencer,  
daughter of Earl Spencer.

The woman apparently mistook the  
elderly peer for one of the cabinet  
ministers. Lord Weardale was walk-  
ing with his wife along the platform  
when he was approached from behind  
by the woman, who struck him a se-  
vere blow with a powerful dog whip  
and knocked him to the ground.

The incident caused a lively sena-  
tion among the big party of fashion-  
able people, many of whom were  
members of the nobility. Their an-  
gry was relieved when it was found  
that Lord Weardale had not suffered  
any serious injury. The woman was  
arrested.

Lord Weardale's assailant, who re-  
fused to give her name or tell any-  
thing about herself, was remanded,  
without bail, for trial in the Clerken-  
well police court.

Lord Weardale, when he gave his  
testimony, said the woman was a  
stranger to him. He added as a pos-  
sible explanation for the assault that  
he and Earl Curzon of Kedleston were  
joint Presidents of the Anti-Suffragist  
Society. The detectives who arrested  
the suffragette in Euston Station said  
she told him: "I meant to give him a  
good thrashing. You don't know what  
harm he has done us." The prisoner,  
who wore the badge of the Women's  
Social and Political Union, the mil-  
itant suffragette organization, was re-  
manded for further inquiries.

## RENO IS SHAKEN BY EARTHQUAKE

Violent Shock Lasting Three Sec-  
onds Causes Alarm at Di-  
vorce Centre.

RENO, Nev., Feb. 18.—An earth-  
quake occurred here at 10:18 A. M.  
to-day. The shock was violent and  
lasted about three seconds. The di-  
rection was from southeast to north-  
west. There was much alarm in the  
city.

The only damage done here by the  
earthquake consisted of broken win-  
dows and in a few cases cracked  
walls. Hundreds of persons hastily  
frightened rushed into the streets  
from business buildings and resi-  
dences. A portion of the front wall of  
an apartment house crashed to the  
ground.

## TWENTY HURT IN COLLISION OF BRONX "L" TRAINS

Rear End Crash at Fordham Station Smashes  
Car and Sends Shower of Glass  
Over Passengers.

About twenty passengers on two northbound Third avenue "L" trains  
sustained slight injuries this afternoon in a rear end collision at the  
Fordham station. Four were treated by an ambulance surgeon and sent  
to their homes in carriages by agents of the railroad company.

Passengers were leaving and enter- at about six miles an hour. Most

## HUDSON RIVER JAMMED BY ICE; FOOD SUPPLIES COME SLOWLY

Roads Impassable, River Clogged and City  
Streets Filled With Snow, Making Move-  
ment of Provisions Almost Impossible.

With water transportation practically cut off from the wharves of  
North and East Rivers by the ice, the city to-day is threatened with a se-  
rious shortage in its supply of fuel and provisions. Country roads are im-  
passable in many places, and truckmen and dairymen have difficulty in get-  
ting even a small part of their city shipments to the railroads. The un-  
precedented ice jams in the rivers have multiplied the hardships to which  
the snowfall, as yet only slightly cleared away, has put the suffering city

men, reinforced by ash carts of the  
Street Cleaning Department, have dug  
them all out.

UPPER BROADWAY LINES PARTI-  
ALLY OPENED.

Having cleaned up the walks of  
Central Park and cleared all the small  
parks in the densely populated dis-  
tricts of snow, Park Commissioner  
Cabot Ward to-day tendered to the  
Department of Street Cleaning the  
use of seventy-five horses and carts  
and 150 men for work on the streets.

The offer will undoubtedly be ac-  
cepted, and as Commissioner Ward  
proceeds with his cleanup up in the

## WOMAN TELLS CONGRESS OF BARGAIN SALE PERILS

Had Her Plexus Torus Twisted Out  
of Shape and Dorsal Humerus  
Dislocated in Rush.

WASHINGTON, Feb. 18.—Mrs.  
Christina Frederick of Philadelphia  
told the House Judiciary Committee  
at a trial bill hearing to-day that  
out prices on standard articles were  
"a lure, a bait and a snare" to get  
women in stores to buy something  
else. She described a bargain-counter  
rush.

"Once," she said, "I crowded around  
a bargain counter, had my plexus torus  
twisted out of shape, dislocated by dor-  
sal humerus, wrecked my best hat,  
tore out the armoire of a good waist,  
and got three yards of lace for which  
I paid only 75 cents."

"In my opinion it is as much a fic-  
tious competition for dealers to cut  
prices below cost to get sensational  
value, as it is for the Standard Oil  
Company to sell below cost to drive  
out a competitor."

Three Defeat at Tennis.

Racquet championship play here to-day

## BAD DAYS HAVE COME FOR THE PARK MASHERS

Police and Park Forces United to  
Get Them—Foremen to  
Make Arrests.

From now on it's going to be a bad  
season for masbers who have made  
it a business of annoying women and  
young girls in Central, Riverside and  
Washington Heights parks. Park  
Commissioner Ward and Police Com-  
missioner McKay have determined to  
run them down.

Commissioner Ward called his park  
foremen before him and asked them  
about the complaints. They replied  
that they had reported cases to the  
police, but that they could not see  
that anything had been done about  
them. Then Mr. Ward laid the mat-  
ter before Mr. McKay and the work  
of ridding the parks of the pests will  
be carried out resolutely. The fore-  
men have been instructed to make  
arrests whenever they see the law  
being violated and not wait to make  
reports to the police.

## EARLE'S KIDNAPPING AIDE ON HER WAY TO PARIS

Charlotte Herman, Extradited to  
France, Taken to Border by  
Norwegian Police.

CHRISTIANIA, Norway, Feb. 18.—  
Miss Charlotte Herman of Rutherford,  
N. J., the companion of Ferdinand  
Pinoy Earle, the American artist who  
was recently extradited to France in  
connection with the kidnapping of  
Earle's eight-year-old son from a  
school in France, left here to-day for  
Paris.

She was accompanied by a Norwe-  
gian policeman as far as the Swedish  
frontier.

Ten Fined for Smoking.  
Two factory owners were sentenced to  
pay \$20 fine or four days' imprisonment,  
and three to pay \$50, or serve ten days,  
for having doors locked, in Special Ses-  
sions to-day before Justice Kernaghan,  
Hermann and Parker. Ten smokers  
were fined \$20, with the choice of four  
days in jail.

Three Defeat at Tennis.  
BOSTON, Feb. 18.—In the National  
Racquet championship play here to-day

## MOTHER HAS THE RIGHT TO VISIT THEM AT TIMES.

May Also Take Them on Outings  
Whenever She Desires and  
It Is Convenient.

Advices received in New York late to-day brought the information  
that Mr. and Mrs. Clarence Mackay have obtained a French decree of  
divorce in Paris.

The decree signed by the French tribunal was handed down within  
the last few days.

This is the sudden culmination of trips to Europe that were taken by  
Mr. and Mrs. Mackay. She went to Paris last December for the express  
purpose, it was announced to-day, of taking up a legal residence that  
the suit might be filed.

Five weeks ago Mr. Mackay sailed for Paris and was served in the  
French capital with a summons. He appeared personally in the court,  
but offered no opposition.

The decree, according to the advices, gives both parties the right to  
remarry.

The custody of the Mackay children was awarded to Mr. Mackay, but  
Mrs. Mackay is given the right to visit the children at any time and to take  
them on outings whenever she chooses.

The divorce was obtained by mutual agreement between the million-  
aire cable owner and his wife.

It was stated that soon after Mrs. Joseph A. Blake, wife of the fa-  
mous surgeon, had filed her \$1,000,000 allegation of seduction suit against  
Mrs. Mackay attorneys for the Mackays tried to make an amicable ar-  
rangement between them and obtain divorce, but this fell through.

A public divorce suit was threatened, and to escape the attendant pub-  
licity Mrs. Mackay agreed to go to Paris and there get the divorce on al-  
legation of desertion.

Financial differences between the Mackays were settled sometime ago.  
Mrs. Mackay signed away her rights to the famous Harbor Hill estate  
where she and her children had lived within a year.

## ADRIAN ISELIN GETS LICENSE TO WED MRS. BRONSON

Banker and Yachtsman and  
Bride-to-Be Tried to Keep  
Keep It Secret.

Adrian Iselin, banker and yachts-  
man, and Mrs. Sarah Grace Bronson  
took out a marriage license at City  
Hall this afternoon and hurried away  
after announcing that they intended  
to be married at once but didn't want  
the news to leak out until to-morrow.  
They would not say where the cere-  
mony was to be performed.

Mr. Iselin gave his age as sixty-  
seven years and his address as No.  
711 Fifth avenue. Mrs. Bronson said  
she was sixty-three years old and  
lived in Observatory Place, Harlem,  
New York.

They were unaccompanied when  
they appeared at the City Hall and  
did their best to escape observation.  
They remained only the few minutes  
necessary to answer the questions for  
their license and then hurried away.  
Mr. Iselin has offices at No. 86 Wall  
street. He is a director or officer of  
many corporations and railroad com-  
panies and belongs to the Century,  
Metropolitan, Union, Knickerbocker,  
Larchmont Yacht, Riding, Downtown  
Association, New York Yacht and  
Catholic Clubs.

He was married in 1872 to Louise  
Caylus of this city and has been a  
widower for some time.

## FIRE DESTROYS MRS. VANDERBILT'S COUNTRY HOME

New Structure, Which Cost  
\$175,000, Was Completed  
Just Before Christmas.

The new home of Mrs. William H.  
Vanderbilt Jr., on Jericho Hills, three  
miles from Westbury, L. I., was de-  
stroyed by fire to-day. The loss is  
estimated at \$175,000 on the building  
and \$60,000 on the furnishings.

The house was completed only just  
before Christmas and the work of  
furnishing about ten days ago. Mrs.  
Vanderbilt was getting ready to take  
a large party of friends there for the  
winter festivities made possible by  
the snow and ice covering all of the  
Westbury Hills section.

The house was occupied only by a  
caretaker and a couple of maidens.  
The caretaker telephoned for help to  
Westbury, Hicksville and Jericho  
when he discovered the fire, but the  
roads are so deep in snow that no pa-  
ramount could be moved up to the  
Vanderbilt place.

## MISS WILSON NOT ENGAGED

Denial That President's Niece  
Daughter Is to Wed  
Bryd Fisher.

WASHINGTON, Feb. 18.—Following  
an official denial of a report that Miss  
Margaret Wilson, the President's niece  
daughter, was engaged to be married  
to Bryd Fisher of Kansas City, Mo.,  
reported to-day by the press.
